Carmin, Cassidy II, and Clayton are all institutional wall hung sinks with a sealed overflow option. A sealed overflow is more hygienic as it helps prevent contamination.

****NOTE: All sealed overflow options are special orders only.***

IZOBELLE

6610ANX - SINGLE HOLE

The Izobelle Wall Mounted Sink is a masterpiece of fine fireclay craftsmanship. With its slim rim profile and rear overflow hole, this sink offers both style and practicality. The single hole faucet centre adds to its sleek design, and the included mounting bracket and hardware simplify installation. Created for concealed plate-type carrier installation, the Izobelle sink is a versatile choice that meets the highest standards of quality. Elevate your bathroom with this elegant sink that combines form and function effortlessly.

EDGEVIEW

The Edgeview is a sleek, Fine Fireclay corner sink with a slim rim profile, rear overflow hole, and single hole faucet center. Its modern design maximizes bathroom space while providing durability, style, and convenience to your daily routine.
